

AGENDA OF THE SALMON AQUACULTURE DIALOGUE

December 11-13, 2007

Hotel Diego de Almagro Santiago Av. Libertador Bdo. O'Higgins 1485 Santiago, Chile

December 11

- 08:30 Inscription
- 09:00 Welcome and background on the Salmon Aquaculture Dialogue
- 09:45 Overview presentation of the Report of the Technical Working Group on Nutrients and Carrying Capacity of the Salmon Aquaculture Dialogue by Dr. Barry Costa-Pierce
- 10:05 Presentation and discussion of Chapter 1: Nutrient releases from salmon aquaculture
- 11:00 Coffee break
- 11:30 Presentation and discussion of Chapter 2: Impacts on pelagic ecosystems
- 13:00 Lunch (provided)
- 14:30 Presentation and discussion of Chapter 3: Pelagic nutrient and ecosystem impacts of salmon aquaculture in Chile, with emphasis on dissolved nutrient loading and harmful algal blooms and Chapter 4: Salmon aquaculture and harmful algal blooms
- 15:30 Coffee break
- 15:50 Presentation of Chapter 5: Nutrient impacts of salmon aquaculture on Chilean lakes and discussion on nutrient associated impacts of salmon culture on freshwater ecosystems

Presentation of the WWF Chile report *Salmon Farming in the Lakes of Southern Chile – Valdivian Ecoregion* by Jorge Leon

Open discussion on production in lakes and associated impacts
- 16:30 Trends, lessons learned and conclusions from the day's discussion
- 17:30 Close of meeting
- 19:00 Reception for meeting participants in the Diego de Almagro Hotel

December 12

- 08:30 Inscription
- 09:00 Welcome
- 09:15 Overview presentation of the report of Technical Working Group on the use and environmental impacts of chemical inputs of the Salmon Aquaculture Dialogue by Dr. Les Burridge
- 09:45 Presentation and discussion on the chapter on antibiotics
- 11:00 Coffee break

- 11:20 Presentation and discussion on the chapter on parasiticides
- 13:00 Lunch (provided)
- 14:30 Presentation and discussion on the chapter on compounds containing metals
- 15:30 Coffee break
- 15:50 Discussion on the use and impacts of disinfectants and anesthetics
- 16:30 Trends, lessons learned and conclusions from the discussion
- 17:30 Presentation of a Life Cycle Assessment of Wild and Farmed Salmon by Dr. Astrid Scholz, Ecotrust, and Dr. Ulf Sonesson, Swedish Institute for Food and Biotechnology
- 18:15 Close of meeting

December 13

- 08:30 Inscription
- 09:00 Welcome and introduction
- 09:30 Presentations and discussion on socioeconomic costs and benefits of salmon aquaculture around the globe
 - Kjell Maroni, Norwegian Seafood Federation
 - Jay Ritchlin, Coastal Alliance for Aquaculture Reform
 - Roberto Álvarez, Banco Central de Chile
 - Francisco Pinto, Fundación Terram
 - Rodrigo Infante, SalmonChile
- 12:00 General discussion on social issues
- 13:00 Conclusions and next steps
- 13:30 Close of meeting

ACKNOWLEDGEMENTS

The authors of the reports for their hard work and the time they dedicated to this project.

The program Invest Chile of CORFO for their support of this event.

The Steering Committee of the Salmon Aquaculture Dialogue for their support of the event and the Technical Working Groups on Nutrient Loading and Carrying Capacity and Chemical Inputs.
