

Next steps related to dialogue reports and standards development

Salmon Aquaculture Dialogue meeting
Boston March 13th. 2009

Katherine Bostick, WWF US

Developing indicators

- ▶ Experts will be identified to draft indicators, advised by:
 - ▶ Completed reports and associated comments
 - ▶ Ideas that were generated today
 - ▶ Steering Committee (SC)
- ▶ Workshop with these experts and the SC to review, discuss, revise
- ▶ Draft indicators will be presented for feedback

Future Clarity

- ▶ Workplan being further developed
- ▶ Website updates
 - ▶ Frequently Asked Questions
 - ▶ Meeting summary, presentations, participant list
 - ▶ Comments on the completed reports
 - ▶ Revised criteria
- ▶ Stay informed through distribution group

THANK YOU

- ▶ **Very productive meeting**
 - ▶ Steering Committee and Dialogue coordinator have a lot of useful and thought-provoking information to take away
 - ▶ Send in or call with additional questions, ideas, or concerns

- ▶ **Additional questions or comments?**
